

Empower the Educator – Building Strong Teams

4-Week Online Training Course

Dates: September 22, 29; October 6, 13

Course Times: 9:30am – 3:30pm EST on scheduled course dates (includes a 30-minute lunch break) plus 2 hours daily for course work (outside of class time)

Cost: \$999 (Course registration closes 9/16/2022)

Class Size: This course is limited to 12 participants

Learn from NATS Master Instructors of empowering education techniques in this 4-day, transformational, online learning experience spanning the course of four weeks. You will be inspired to think differently, understand the “why” (understanding the “why” is one of the most empowering ways to approach education), and break down personal barriers to unleash the educator within you to rise to your ultimate potential.

Here is just a portion of what educators will learn:

- How to inspire people to think differently
- How to facilitate a transformational educational experience for your audience
- How to develop emotional intelligence and read the energy and coherence of the group by improving personal and group resiliency
- How to use empowering and accelerated learning techniques for adult learners so participants enjoy learning, learn faster, remember more, and are inspired to take massive action

This Course Is For You!

This program is a professional development opportunity for current supervisors, leaders, managers and trainers who are interested in honing their leadership and training skills.

What You'll Need

- Internet connection
- A computer with audio and video capabilities
- Audio headphones (Bluetooth headphones are discouraged due to connectivity issues)
- Quiet learning environment
- Pen and notebook
- Please plan to be stationary during the course; driving while attending the course is not permitted

Continuing Education Units

ISA Certified Arborists and TCIA CTSPs will be eligible to receive Continuing Education Units (CEU's).

NATS Master Instructors

NATS Master Instructors are Industry Leading Subject Matter Experts (SME's) in their field and are OSHA-Authorized Trainers. All NATS Master Instructors are required to deliver 40-50 days of hands-on training annually as well as maintain proficiency in the subject matter in which they teach. Master Instructors must be qualified in multiple disciplines and also have proficiency in a unique area of expertise. To find out more about NATS' Instructor Development Program, or about NATS Instructors, please visit www.natstraining.com.

Empower the Educator – Communication and Instructional Skills

Recruiting, training, and employing highly skilled, safe, and competent workers in your organization can be difficult. Through this transformational and immersive experience, you will learn ways to effectively prepare and grow worker's knowledge, skills, and abilities to perform their jobs at optimized levels of proficiency. North American Training Solutions has trained hundreds of workers in industry-leading educational skills. Our system of empowered education has consistently delivered maximum engagement and safety results to workforces ranging from hundreds to thousands of workers, without a single lost time injury.

At North American Training Solutions, we believe high-level education and training for key staff members will benefit organizations by helping them meet their human resource, human performance, and budgetary goals. This Empower the Educator program will increase your employee's confidence in training and communication skills to lead groups both small or large.
