

## TREE SCHOOL AT LSU BURDEN BOTANIC GARDENS

Baton Rouge, LA

---

Our Tree School at LSU Burden is a great opportunity for novice and experienced tree care workers alike to learn more about chainsaw use and tree climbing. Details on these courses are below and while each course is held separately, we do offer a discount on registration if you sign up for both courses. ISA CEUs will be available for each course.

### TECHNICAL TREE FELLING & CUTTING COURSE

October 9-10, 2017

The Technical Tree Felling & Cutting course provides participants hands-on training in the use and maintenance of chainsaws; practical work-planning strategies; and personal safety, risk assessment and accident prevention. Specific topics include:

- Chainsaw safety and ergonomics
- Chainsaw design, feature benefits and starting
- Limbing and bucking
- Technical cutting
- Technical felling
- Ropes, knots and mechanical advantage
- Chainsaw maintenance

### TECHNICAL TREE CLIMBING AND MOVING ROPE SYSTEMS COURSE

October 11-12, 2017

The Technical Tree Climbing and Moving Rope Systems (MRS) course provides participants hands-on training in the use of specialized equipment and techniques employed in MRS; advantages and limitations of utilizing this technique; and procedures for maintaining and following safe work practices. Specific topics include:

- Safety, team work, communication and risk management
- Personal protective apparel and equipment
- Tree work positioning
- Identifying, establishing and securing anchorages
- Throwline application, techniques and rope installation
- Tree climbing work practices
- Emergency response

**Course times:** 8:00 am – 4:30 pm each day (lunch provided)

**Equipment:** Participants are required to bring their personal protection equipment and climbing gear if attending the TTC/MRS course

**Cost:** One course only: \$450 if registered on or before September 25, \$500 after September 25  
Both courses: \$850 if registered on or before September 25, \$950 after September 25
